Dear Sir/Madame:

Schawk Canada has since 1985, contracted the services of Disher Courier. Their responsibilities not only include shipping to and from our offices, addressing our worldwide needs and producing shipping reports on a daily basis, but logistically providing 24/7 service to meet the high demands of our clients. We, at Schawk, endeavor to keep our clients "highly satisfied" and Disher Courier has helped us achieve that level.

I have had the pleasure of working with Colin Woon Sam, his family and staff and found them to be very knowledgeable and committed until the end. Our clients and personnel are handled in a courteous and professional manner. Our deliveries and inquiries are addressed quickly and efficiently.

Schawk Canada is "highly satisfied" with Disher Courier and we will continue to use their services. Please feel free to contact me should you have any questions.

Sincerely,
