Reference: H & B Disher Courier (Woonsam) Inc.

In a time critical industry such as ours, our service providers and carriers become an extension of our own services. If they fail to perform then so do we. To that end we are happy to endorse the services of H & B Disher Courier (Woonsam) Inc.

In a world where expansive claims to exceptional service rarely match the marketing "hype" H & B truly do excel. Their services are thoroughly reliable, timely and proactive. We are very happy to have them as a business partner.

Sincerely,

World Wide Logistics
